Rotary Zones 15/16/17/18 | PALANGA Action Summit 3 - 6. September 2026

Dear Rotary Members,

I would like to encourage you to join me in Palanga and experience the Rotary Action Summit, a smaller version of the Rotary International Convention. In Palanga, you will not only get to see the broader international side of Rotary, but you will also experience the Rotary Olympic Games, Rotariada, where around 1,100 Rotarians compete in a wide range of sports.

It is recommended to arrive in Palanga on Wednesday, 2 September, as the official program begins at noon on Thursday, 3 September (and for District Governors and Past District Governors, the program begins on Thursday morning).

The conference fee is 485 EUR, which includes the summit sessions, the gala concert, the White Dinner, Friday's lunch, the main day of the event, and participation in one Rotariada competition category.

This will be an unforgettable experience and a wonderful opportunity to feel the energy and strength of the Lithuanian Rotary district.

Those interested should register with District Governor Britt-Marie Bergman at britt.marie.bergman@vitalgroup.se by the end of March to secure their spot.

Please take a look at the preliminary program here:
https://rotary-summit.eu/en/program/

And the introductory video here:

See you in Palanga 😊
